

DOVE BIBLE CLUB NEWS

O Give thanks unto the Lord; for his mercy endureth forever (Psalm 136:1)

The Good News

A grandmother shared that her granddaughter led two of her classmates to the Lord. While in class, she asked the girls if they wanted to go to heaven; and they said "yes". She told them that they had to ask Jesus in their heart. They prayed together and asked Jesus to be their Savior. Now one of them is coming to Dove Bible Club! The students' teacher shared there same story. Praise God!!!

Give Thanks

The year is drawing to a close. Take a moment to read the lyrics of this song by Don Moen: "Give Thanks"

Give thanks with a grateful heart
Give thanks to the Holy One
Give thanks because He's given Jesus Christ, His Son

And now let the weak say, "I am strong"
Let the poor say, "I am rich"
Because of what the Lord has done for us"

Give thanks with a grateful heart
Give thanks to the Holy One
Give thanks because He's given Jesus Christ, His Son

Volunteer Corner

By Staci Donovan

When my kids were very little, I struggled with enrolling them in public school. It was so scary to me and void of God. Then God gave me a vision. He willed us to be in the public schools. He wanted us to be used in a mighty way for His glory, if we would be available to Him.

Dove Bible Club has been one way that God has used us to bring light, truth and hope into our public schools. I love walking around campus and having the kids recognize me as their Dove Bible Club teacher. I love meeting parents and talking with them after club and making that connection. I love that to them, I am affiliated with Jesus, the Bible and God. I have had parents and students confide in me with either a prayer request or something about the Bible that they had a question or comment about. Last month I had 7 kids remind me that they needed a Bible. What a blessing. Thank you Jesus.

Jesus is in the public schools living in the hearts of believers. Through Dove Bible Club, God's Word is being taught. His praises are being sung. We are praying in the name of Jesus. Seeds are being planted, and lives are being changed. God is allowed and very present in the public schools.
