

DOVE BIBLE CLUB NEWS

"And she shall bring forth a son and thou shalt call his name JESUS: for he shall save his people from their sins" (Matthew 1:21)

The Good News

At our Dove basketball tournament, a parent was brought to tears when she saw her son dribble down court and pass the ball to another player. His siblings were just as excited, and they began snapping picture after picture. The parent shared that her son has Multiple Sclerosis and he has never played on a basketball team. We thank God that Dove Bible Club was used to help one family's dream come true.

JESUS is the Savior of the World

As I walked out of church, I saw a white envelope on the windshield of my van. I looked around to see if anyone was looking to acknowledge ownership, but I saw no one. What was in the envelope?! Here is what I found:

"God bless you and your ministry (Dove Bible Club). God has opened up doors in schools today, allowing Dove Bible Club to go in and share the Gospel with all these students. I am sure this is the only Gospel some of these students get to hear in school. I think of how many students Dove Bible Club reaches. Many of these students' parents don't take them to church, and by answering God's call, you take the "church" to them. May God bless you and your ministry. (Anonymous)

John 17:3 says, "And this is life eternal, that they might know thee, the only true God, and Jesus Christ, whom thou has sent".

By Pastor John Forsythe

As Pastor of a small, beachside community church, I felt for years a burden to bring the Gospel and the Bible back into our public schools. I just hadn't come up with a way to do that. I'll never forget the day I heard Loretta speak about Dove Bible Club at a local pastors lunch.

This ministry is what I'd been praying for! It encourages children to bring their bibles to school and gets Christ and the Gospel back into the hallways, lunchrooms and classrooms. We meet only once a month, but the Lord will take this offering and multiply it exceedingly and abundantly.

The real confirmation that the Lord wanted our church to participate was the incredible support for this ministry when I laid it out before the congregation. The Holy Spirit moved in people, and we were able to sponsor 2 schools in our area! Praise the Lord.

We've learned that no two schools are alike. At our first meeting, one school had 40 kids and the other 4! Yet the same enthusiasm for the Lord was present and continues to be at both schools. The same Gospel is shared and the same Prayer for Salvation is offered. Thank God for Dove Bible Club in Brevard County!
