|---------------------------------|---------------------------------|-------------------------------|
| I feel it in the air right now | (Clap) | Take four steps to the left |
| It's all around | Now stop | To the left |
| I see it everywhere | I feel it in the air right now | 1, 2, 3, 4 |
| It's the power | It's all around | Turn it around |
| Yeah, yeah, God's power | I see it everywhere | And move to the right |
| It's the power to move any star | It's the power | 1, 2, 3 |
| It's the power | Yeah, yeah, God's power | Now take tiny little jumps |
| To heal your broken heart | It's the power to move any star | Four to the front |
| It's the power | It's the power | 1, 2, 3, 4 |
| Yeah, God's power | To heal your broken heart | Four jumps back |
| So don't hold back | It's the power | But you better look back |
| No, don't hold still | Yeah, God's power | 1, 2, 3, 4 |
| 'Cause God is here | So don't hold back | Now freeze |
| And he is real | No, don't hold still | And everybody clap your hands |
| Take four steps to the left | 'Cause God is here | (Clap) |
| To the left | And he is real | Now stop |
| 1, 2, 3, 4 | Take four steps to the left | |
| Turn it around | To the left | |
| And move to the right | 1, 2, 3, 4 | |
| 1, 2, 3 | Turn it around | |
| Now take tiny little jumps | And move to the right | |
| Four to the front | 1, 2, 3 | |
| 1, 2, 3, 4 | Now take tiny little jumps | |
| Four jumps back | Four to the front | |
| But you better look back | 1, 2, 3, 4 | |
| 1, 2, 3, 4 | Four jumps back | |
| Now freeze | But you better look back | |
| And everybody clap your hands | Let's do it all again right now | |
